AVAILABLE AT [http://physics.uvigo.es/nanoeaters/job\\_offer.pdf](http://physics.uvigo.es/nanoeaters/job_offer.pdf)

The Optics Lab of the Applied Physics Department at the Ourense campus of the University of Vigo looks for candidates for a contract within the Nanoeaters POCTEP project.

The contractual conditions are indicated below:

- Duration: 5 months.
- Remuneration: € 10,000 (gross salary)
- Place of work: Ourense Campus.

The selection will be carried out through a personal interview and the evaluation of the CV. The selection process will be solved by a commission formed by professors of the research group in the shortest possible term.

The profile of the candidates is a physicist/engineer with experience in the field of photonics. CVs must be send by email to Prof. Dr. Humberto Michinel by email (hmichinel@uvigo.es)

**The dedline is 14th July, 2018**
